

EASY WAX

Natural beeswax for decorative concrete floors

DESCRIPTION

EASY WAX is manufactured using only virgin beeswax admixed with particular components completely non-toxic. EASY WAX creates a protective film that restores a natural sheen to the surface, giving a strong water repellency and resistance to moisture, oils, dust and dirt in general. EASY WAX ensures a prolonged protective action of the surface from dust and dirt in general.

USES

EASY WAX is especially recommended for the maintenance of Ideal Work decorative floors:

- Microtopping
- Floors acidified
- Floors Nuvolati.

APPLICATION

Surfaces must be clean, free from dust and oil stains. Before the application of EASY WAX, it is recommended to wash the surface with professional detergent. Spread a thin uniform layer of wax with a cloth or soft bristle brush. Before the wax is completely dry, rub vigorously with a cloth or cotton wool, or specific machinery.

IMPORTANT: you should change clothes whenever they might occur too soaked in wax. On surfaces exposed to moisture, grease, oil, water, etc. .. it is suggested to treat once every six months.

TECHNICAL INFORMATION

Color:	Neutro
Appearance:	Creamy
Smell:	Pleasant (characteristic of beeswax)
Binder:	Beeswax virgin
Viscosity:	Thixotropic
Specific Gravity:	0,860+/-0,02 g/cm ³
